

# BCG Newsletter

May 3rd 2022

## Welcome to our Newsletter

**Dear families and friends,**  
I have said many times just how much I value Art, Music and Drama and how I want it to continue developing here in school.

Last week we saw two events which are the culmination of many many hours of creativity and hard work. It goes without saying that I hope you already [have your tickets for Annie](#). The cast and crew have been doing final preparations in the huge theatre in Gava which has been an exciting and sometimes daunting experience! For two terms the cast have been rehearsing their dancing, singing and acting under Mrs Foreman's passionate and expert direction. Many other members of staff have been working hard too to make this special performance a success and we look forward to a full review in the next newsletter!

## **GCSE and A Level Art Exhibition**

Two years ago, Miss Jensen and I discussed our joint vision for Art at BCG. Ensuring all students gain a thorough grounding in the essential skills required to be able to express their creativity was key to this. Now, 2 years on we have a wide range of talented and confident young artists. On Thursday we had our first Private View where the parents of the students were able to come and see the wonderful work.

## **St Jordi**

This year I was sad that I was unable to attend the St Jordi celebrations. A year ago I said it was one of the best days I had experienced since joining the BCG community and from what I have heard, this year was even better! A super addition was that we welcomed many of the Early Years parents to school to share in the fun. Recent changes to the COVID protocols mean that we will be able to do that much more often which is something we are all delighted about.

## **Parent Teacher meetings**

Last week saw the Parent Teacher meetings for the Primary school. Feedback from parents about the format and quality of discussions has been very good. These are important events and strengthen the two way communication between school and home.

## **Surf 's Up!**

It was so good to see the pictures and video masterpiece's created by Mr Steadman during the Year 7, 8 and 9 Surf lessons last week. We are so lucky to be able to offer this as part of our PE curriculum and it was very clear that the students had a fantastic time. If you have not seen them, check out our [social media!](#)

## **IBDP Group 4 project presentations**

Our Scientists presented their Group 4 projects to teachers and parents in the Auditorium last week. It was very clear that they had worked hard and had enjoyed this compulsory element to the Diploma course. More detail later in the newsletter.

## **NABSS Inspection**

All British Schools in Spain are inspected every few years to ensure that they are meeting all of the regulations and standards required. NABSS, The National Association of British Schools in Spain is an association and international accrediting body of British independent schools operating in Spain which also has an affiliation with the British Council here.

We have a whole school inspection today and are very much looking forward to welcoming the two inspectors to our wonderful school.

# PRIMARY NEWS

Dear Parents,

Last week a group of Year 6 pupils asked me if I had missed teaching since taking on my role as the Head of EYFS & Primary. Without any hesitation, I said a big YES! Teaching has been my passion since I was 6 years old and I don't think it will ever leave me. The wonderful thing about this role is making - and being part of - decisions about the education and school experience of the over 200 pupils we now have in our phase. It has been very exciting to work on a longer term plan that will greatly benefit all of our children now and in the years ahead.

However, sometimes I am very fortunate that I get to go and work in classes and still get to teach. I love it! Last week I got to work in the Nursery Turtles Class and it was lovely. We played in the 'class cafe' and I got to draw snakes with the children and show them how to do dot-to-dot. The best part was making puzzles of different animals. I had such a nice time that I decided I will spend time in the Nursery every Monday afternoon. I am already really looking forward to it.

I also had the great pleasure of working in Year 3 Crabs Class. We had an afternoon investigating colours found in natural materials. They worked beautifully in pairs and helped each other to succeed. This is learning at its best. Very well done Crabs!

Finally, I would like to say how nice it was to see parents in school for our EYFS & Primary parents' evening. Being able to speak to you in person - without masks - was really beneficial to all of our teachers, and me too! We look forward to extending opportunities to invite you into school for special events. With this in mind, I am very excited to announce we will be holding **our annual Summer Fair on Saturday 11th June**. More details to follow in the next newsletter but I can reveal we will be holding our first ever BCG International Food Festival led by our Language Ambassadors in the Primary School and some of the CAS Secondary students. It is set to be an amazing day. If you would like to support us and be involved, please email me directly: [kelly.wakelin@bcgava.com](mailto:kelly.wakelin@bcgava.com)

## House Captains

---

We are pleased to announce the new House Captains for the Summer term. Students were asked to submit letters detailing their reasons for why they wanted to be a House Captain and what they would like to do with this responsibility. The letters we received were impressive and we felt proud of all the students who put forward their ideas.

It was a tough choice to make but our House Captains for the final term are as follows:

*Red House: Eve Fassam*

*Green House: Noa Cedillo*

*Yellow House: Nora Narvaiza*

*Blue House: Noa Martinez*

The House Captains are all excited to be starting in their positions. They already have some great ideas for some house competitions and ways to make our houses even more present in EYFS and Primary.

We are also happy to welcome the following students to the Primary House Committee:

Manel Romero

Jessica Sackey

Noa Carro

The House Captains and Committee now have to work hard to see which house will be crowned BCG House winner 2022. Go Houses, Go BCG!

## BCG Value - Inquirer

---

Last week our new BCG value was introduced to the children, 'Inquirer'. In our assemblies, we discussed what we thought the inquirer meant and how this would look in our classrooms. The students gave some excellent answers even saying they also thought one needed to be brave to be an inquirer. I thought this was a great thought as it can be difficult to admit we do not know something but it is a real positive to be brave and ask so that we can find out the answers. They also linked it to our last Value 'Communicator' saying that we need to communicate and listen well to be able to learn new things. Fantastic thinking Primary!

Year 1 - Pola and Julen

Year 2 - Ricardo, Lucia, Cesar, Jeronimo

Year 3 - Maia, Diego, Kostia, Samuel

Year 4 - Shujah, Alba, Berta, Emma

Year 5 - Nicolas and Julietta, Alessandro, Connor

Year 6 - Noa C, Alex, Nelson, Kalina

## EYFS AND PRIMARY EASTER EGG HOUSE COMPETITION

Over the Easter holidays, all students of EYFS and Primary were given a challenge to decorate an egg. It could be a real egg, a chocolate egg, a drawing basically any way you could think of to decorate an egg for Easter. We had some amazing entries that showed off some of the real creative talent we have here at BCG. We even had some paper mache entries. All of the entries were fantastic; they are now displayed outside Miss Wakelin's office for all to see. For every entry, the students earned their house 5 house points so well done to everyone that entered because together you totalled nearly 150 house points. The entries were so good that we decided to have both a winner and a runner up. The winners each earn 50 house points for their house and the runners up 25.

Our winners are as follows:

- **EYFS Winner**

Amaia - Reception - Green house

- **YEAR 1 and 2 Winner**

Helena - Year 2B - Yellow house

YEAR 1 and 2 Runner up

Julen - Year 1 - Red house

- **YEAR 3 and 4 Winner**

Victoria - Year 4B - Yellow house

YEAR 3 and 4 Runner up

Javi - Year 3A - Red house

- **YEAR 5 and 6 Winner**

Yury - Year 5B - Blue house

YEAR 5 and 6 Runner up

Mar - Year 5B - Blue house

We would also like to award a special 25 house points to Kalina in Year 6 for an absolutely beautiful piece of art work on her egg.

Well done to all of you for your superb effort and participation. Go houses, Go BCG!

## Primary Music Trips!

Last week the children of Year 3 and Year 4 had the pleasure of attending a concert in L´Auditori, Barcelona. The concert, Maaaambo, featured music from across Latin America. A full orchestra played samba, mambo, danzon, cha cha cha and much more to a concert hall full of students. This show, specifically designed for school children, was performed by the accomplished musicians of the Barcelona Municipal Band.

After the concert the children enjoyed lunch at Parc Ciutadella where they had lots of space to run, jump and explore before coming back to the school. It was a wonderful experience and one we look forward to recreating again next year when we plan our next music trip!

As part of our commitment to The Arts here at BCG, each primary class will have a music trip in each academic year. Earlier this term the Years 5 & Year 6 children attended the musical “Legally Blond”. This week, as part of this initiative, Year 3 and Year 4 got to attend ‘Maaaambo’. Next week Nursery and Reception students will be going to Palau de la Musica for the “Twinkle Twinkle Baby Star” concert and finally, the following week, Year 1 & Year 2 will go to L´Auditori for the “Els Colors del Metal” concert.

With two more music trips coming in the following weeks, we hope you´ll join us back here in the next newsletter to see more pictures of the BCG children exploring music in Barcelona city!

Until then,

**Ms. O´Connor**  
Music Teacher

## Theatre Trip - Year 3 and Year 4

# SECONDARY NEWS

Dear parents and guardians,

We have had an exciting two weeks to kick off the Summer Term.

Our Year 11s and Year 13s are coming to the end of their courses and making the final preparations for the GCSE and A-level exams before they depart for study leave.

Unfortunately we had to postpone the DofE expedition due to extreme weather reports and warnings, the students had prepared so well but the safety and enjoyment of the students is paramount so the tough call had to be made.

We have had the start of the surf/ SUP lessons during PE for Key stage 3 this week. The course got off to an amazing start and the students involved loved it. I was very impressed with how quickly they adapted to a new sport and to see the smiles on the faces of the students. I knew we had some lifelong surfers in the making.

We are currently writing a new mobile phone policy for Key Stage 3 students as we have had an increase in silly behaviour with mobile phones. This will be released shortly.

## **Sports day dates:**

EYFS and Lower Primary Sports Day: June 2nd

Sports Day years 3-12: June 16th

Thank you,

**Mr Steadman**  
*Head of Secondary*

# INTRODUCING NEW STAFF

## **Alexia Moreira**

---

*SEND Teacher Assistant*

My name is Alexia and I am thrilled to join the team at BCG as a SEND Teaching Assistant. I am currently graduating as a psychologist from the Universitat Autònoma de Barcelona, after a few months of studying abroad. I recently finished an internship in a Centre of Child Development and Early Attention and I couldn't wait to start working again with children and young teens! I consider myself as a really positive and uplifting person who really loves traveling among many other things.

My first days at BCG have been very rewarding, I am looking forward to everything this experience has to offer!

## **Jessica Aswani**

---

*Secondary Business Teacher*

My name is Jessica and I am delighted to be part of BCG as the Business Studies Teacher.

I studied Advertising & Marketing and after my degree, I have been working as Marketing, Export, Product Manager and General Director in different multinational companies across the world such as Disneyland or Vodafone and supervising more than 500 employees. After studying my Master Degree in Teaching, I realised that teaching Secondary students for the 'real world' is my passion so I decided to focus on this and, by having a proper business's perspective, I have a different teaching approach and think new ways to motivate, engage and encourage students to get the best outcome from them.

I am responsible, ironic, proactive, hyperactive, positive and empathic. I care about students' education and I love challenging them the whole time! I enjoy my free time a lot when I have time to practise any of my hobbies.

The first week at the BCG has been amazing. The students are willing to learn and they are proactive so they participate a lot during our lessons. Teachers and all the members of the staff are quite friendly and helpful which is quite important when our job is within the Education sector so well done team!

Professionalism and motivation are the two main words to describe BCG.

I must say that I am so lucky to be part of this team!

# INTRODUCING NEW STAFF

## **Elena Vyalova**

---

*Piano Teacher*

My name is Elena and I am a new piano teacher in BCG. I was born in Russia.

Over the last 15 years of my experience as a teacher, I lived 8 years in China (working in Chinese universities) and now I have been living for 9 years in Spain.

I also teach music theory, guitar and ukulele. I have students from all over the world, from the US to New Zealand.

I am also a Chinese and Russian language teacher.

I love traveling, sports, reading books and cooking!

I'm happy about being able to work at BCG: to meet great professionals (teachers and admin staff) and my new students.

Looking forward to integrating in a new working team and getting a new experience!

Best regards,

## **Welcome back to the school, Ms Sadurní!**

---

*Catalan and Spanish Teacher (Primary)*

Dear families,

We inform you that after Ms Sadurní's maternity leave, this last term she returns as Catalan and Spanish teacher (primary). Ms Navarro, a certified Early Childhood teacher, is going to replace the classes of Ms Ramírez, who, as you may already know, is on maternity leave.

**Ms. Pou**

*Head of Languages*

*"It is a pleasure to return to school and once again enjoy everything that is experienced in our community. I have received a warm welcome from all the students, teachers and staff at BCG, full of smiles and happiness. I am excited to see how each of the students have grown, their progress and to have the opportunity to meet all the new students. For me, it is a gift to be able to continue following their learning, dreams and passions. Thanks to everyone for making it really easy to come back."*

**Ms Sadurni**

Dear parents,

## **ECAP and TRIP Sign Up Reminder**

---

Term 3 clubs are now underway! The booking system is closed so if you wish your child to join an activity, please email [ecap@bcgava.com](mailto:ecap@bcgava.com) to be added. For a list of all term 3 ECAP activities you can visit our website or [click this link](#).

We have had busy days back to school with 7 trips out so far! Please ask our dedicated team to see the trips and visit schedule. All trips and visits are considered mandatory and offer considerable, holistic learning value that cannot be replicated on campus. The booking system has now closed so any late authorisations should be made via email to [trips@bcgava.com](mailto:trips@bcgava.com).

## **ECAP 2022-2023**

---

We are in the final stages of preparing our ECAP schedule for the new school year. We have taken on board advice and feedback from parents and aim to create a schedule that will, for the most part, remain unchanged throughout the year. We will be ready to share this with you in the coming weeks.

# LANGUAGES DEPARTMENT SCHOOL TRIPS

## SANT JORDI CULTURAL WEEK

Y10 curricular activity related to the subject of Catalan Language and Literature

On April 20, in the BCG auditorium, Jorge Gamero, author of the book *Tòquio al cor*, presented his book to us and explained what inspired him to write it. Catalan Year 10 students had the opportunity to ask the writer questions about the characters, the content of the book and the writing process. Previously, they had read and worked on the book in class and had prepared questions. It has been a great experience for them to be able to meet the author of the book they have read in person, since it has given them the opportunity to share their impressions and deepen the reading experience.

## SPANISH CIVIL WAR TOUR AND VISIT TO THE AIR RAID SHELTER 307

As part of the Y11 history curriculum, students have been working on a project about the Spanish Civil War and its impact on the city of Barcelona. As a consolidation of the concepts acquired during this course, the students had the opportunity to take a Tour of the Civil War in the city of Barcelona and learn in situ the causes and consequences of the Spanish Civil War. In addition, as a complement to this activity, they visited the 307 anti-aircraft shelter, built during the Spanish Civil War and whose objective was to protect the population from the bombings that Barcelona suffered.

With these two activities, the students have not only been able to consolidate the basic contents taught during this academic year, but have also been able to take a critical and reflective look at this historical framework.

## Y12 ACADEMIC OUTING RELATED TO THE SUBJECT SPANISH A: LANGUAGE AND LITERATURE

Theater play *La plaça del diamant* by Mercè Rodoreda, Teatre Poliorama- Barcelona

A group of students from the Y12 Spanish A: Language and Literature course attended the theatrical adaptation of the novel “*La plaça del diamant*” by Mercè Rodoreda at the Poliorama theater in Barcelona. After the performance, there was a discussion with the actors of the Eòlia company. Our students have read the classic novel by the Catalan writer in class and now they are going to compare the written work with the theater adaptation made by Paco Mir, actor of El Tricicle.

## **Year 12 - Accomplish your goals by dedicating a little time each day**

Students have a busy last term as we reach the end of our first year of the IB Diploma Programme. It is important at this stage that they dedicate time to independent study every evening and over the weekends to ensure that they make a little progress each day. This will help to avoid the accumulation of work which could result in them feeling overwhelmed or stressed. This is particularly true for Group 6 subjects (Visual Arts and Theatre) as work and commitment should be ongoing.

An effective study timetable is essential, including making good use of the library during study periods.

Students should talk to their Tutor or subject teachers if they need any support with organisation or study skills.

## **Important dates & deadlines for the Summer Term**

### **2nd - 6th May: Global Politics speeches**

Continue reading the newsletter for more details.

### **16th May: Pamoja - End of year examinations**

Economics and Psychology students studying online with pamoja will sit their end of Year 1 examinations on Monday 16th May. Information has already been sent out to the students in question.

### **20th May: Extended Essay - Full draft deadline**

Students should be working on their Extended Essay each day to ensure that they meet this deadline. Essays will be read by supervisors and in depth, written feedback will be given so that students can improve their essay over the summer ready for the final deadline at the end of August.

We remind you that the Extended Essay is an official component of the IBDP and must be completed successfully by each student in order to be awarded the full Diploma.

Students should talk to their supervisor or Ms Delmet if they have any concerns about the Extended Essay.

### **23rd May - 2nd June: End of Year 1 Examinations (IBDP Mocks)**

Over these 2 weeks students will be assessed on all content covered in Year 1 of the IBDP so far. Students must complete these examinations successfully in order to ensure continuation of the full Diploma Programme. Grades will help inform decisions on projected/predicted grades for University.

# INTERNATIONAL BACCALAUREATE

Classes will continue as normal during these 2 weeks and all students are expected to be in school following their normal timetable.

The timetable for these examinations will be available for students early next week.

## **6th - 10th June: ESS - First full version of Internal Assessment deadline**

This is an official IBDP component.

## **8th June: Theatre - Final Research Presentations**

Theatre students will complete this official IB component throughout the day and present their research findings on a world theatre tradition to Y10 drama students and staff. The presentation will be recorded and sent to the IB for evaluation.

## **8th June: Visual Arts - Comparative Study - Full draft deadline**

Students complete a visual essay which analyses and compares three artworks from different contexts with a related theme.

## **10th June, 15:00 - 16:30: TOK Exhibition**

Students will exhibit their TOK projects for parents, staff and students and Mr Foreman will give a short presentation about this unique, flagship IBDP core subject.

Please note that students will have already submitted their work for assessment and should follow Mr Foreman's guidelines.

## **15th June: Theatre - Final Collaborative Project performance**

Theatre students are working collaboratively to create their own play and completing a process portfolio of the creative process as they go along. After the performance, each student will choose 2 parts of the play that they would like to present to the IB for examination along with an evaluation of the play as a whole and their own part in it.

This is an official IBDP component.

## International Baccalaureate - Group 4 Project

Each group had chosen a specific topic within the area of sustainability to focus on and carried out a two day long research project to answer a question they derived themselves.

On Wednesday they were given the opportunity to present their findings and results to an audience of peers, teachers and parents. We were thrilled with the diversity of topics chosen and the interest and effort that our students put into their work. It was a wonderful exhibition of collaboration and everyone worked incredibly hard to complete their projects to a high standard.

Now the students will move forwards and use the skills they have developed during this research project to start to think about and prepare for their internal assessments in science - an independent research project on a topic of their choice.

## International Baccalaureate - Global Politics speeches

Students will be presenting their speeches at lunch times for parents, staff and students.

The Higher Level Global Politics students have been preparing 10 minute speeches for their external assessments. They are expected by the IB to identify a key issue which has global reach, explain the problems and present a possible solution. A sample of the topics include: Pollution and the Mar Menor in Spain, Deforestation and Imperialism in South America, The monetisation of health: US 'Big Pharma' and Poverty and Discrimination in the South of Spain. Students have researched the topics, written and presented draft speeches.

The school would like to welcome Year 10 - 11 students and parents to support a final recital of the speeches before they are recorded and sent for external moderation by the IB.

- On Monday May 2nd, Julian and Hector will present their speech.
- On Wednesday May 4th, Giada, Kiara and Yuvgen.
- On Thursday May 5th, Ivan and Arianne.

**Timing is from 13:30 to 14:15.**

## International Baccalaureate - CAS Corner

*"Hello readers! I'm Julio, a year 12 student that has been initiating a YouTube project as part of my CAS. A few weeks ago, Oriol (a classmate) and I, decided to create a Maths YouTube channel to help other IB students to revise. We needed a long term project as part of our CAS experience and thought this was the best idea as maths is a subject we both love. We have so far filmed 6 videos following the IB maths AA HL book, and we already have 45 subscribers!*

*Our main goal is to be able to help students not only in the British College of Gava but all over the world, especially to less privileged students that do not have the same opportunities as us. We believe Maths is a fundamental subject that everyone should have access to, and although there are many Maths YouTube channels out there, very few are run by students. We have also become very aware of how helpful this initiative is for ourselves as we have to revise all content before teaching it in our videos. In terms of subscribers we aim to have 100 by the end of June and we hope you can help us achieve this. Please share our link with all Math enthusiasts you know and help us launch our site to the world!"*

# ART EXHIBITION

## A Level and IGCSE Art & Design Showcase

On Thursday 28th of April we had the opening of BCG Arts 2022 Exhibition of the A Level and IGCSE Art & Design courses at BCG. Our Year 13 and Year 11 students had just completed their final projects and wanted to share their work with their families and friends.

This is a celebration of their success, and a great opportunity for parents of Year 10 art students, and parents of those in Year 9 that are thinking of taking art next year to learn more about the subject.

# BCG VOTE

## BCG vote pour le prochain président de la République française!

On Sunday 24th April, the second round of the presidential election took place in France.

It was the perfect opportunity for Y8 and Y9 students to learn more about the French electoral system and to understand the impact the result would have on France but also on the European Union and the world.

On Friday 22nd April, our 8 native speakers delivered a presentation to their peers about the two finalists - Emmanuel Macron and Marine Le Pen - and their ideas in terms of education, immigration, identity, international relations, etc. The two classes then made up their minds and voted for their favorite candidate.

Y8 and Y9 BCG students decided to reelect Emmanuel Macron with 72% of the votes when in the real election 58% French people voted for Macron and 42% for Le Pen.

Merci aux étudiants natifs pour leur motivation et organisation!
